Self-Knowledge and the Adaptive Unconscious

SELF-KNOWLEDGE AND THE ADAPTIVE UNCONSCIOUS ourselves and the social world that increase our well-being? I believe that there are a small number of essential myths that human beings share Whether they are adaptive is open to debate, though I suspect they are, at least in moderation I offer four candidates of such myths here Warning:

The self in social context - Columbia University

The aim of “The self in social context” is not only to understand your personal concept of self, but in fact to allow you to discover what the concept of self is, how it develops and what cognitive and emotional consequences are associated with the idea of self The course will

Theory of Mind - Wayne K. Hoy

This model was developed by Timothy D Wilson in his Strangers to Ourselves: Discovering the Adaptive Unconscious The mind can be thought of as the software of the brain, which has nonconscious and conscious elements The nonconscious is the set of mental processes that the individual is unaware of, is fast, more or less automatic, and
